

Republic Dance Center

2023 Christmas Performance

Week of December 4th-9th

The dancers will perform during their normal weekly class time in Studio 3 which will be turned into a magical winter wonderland! We ask that parents STAY and do not drop your dancer off to ensure that you do not miss their performance as the schedule below is a rough estimate

Performance Details:

- **Attire:** Dancers can wear what they normally wear to class but are welcome to incorporate any festive colors or accessories. Please remember this is a casual performance and ALL family members are welcome to attend!
- **Arrival:** Dancers need to arrive at their NORMAL weekly start time. Please make sure they arrive promptly. They will head straight to their normal classroom and then move to studio 3 during their designated performance time.
- **Dismissal:** Multiple classes will be utilizing studio 3 for their performances each day. Therefore, once dancers have performed, they will take a class photo and then will be dismissed. We will have a winter backdrop in the lobby for all other family photos!
- **Dancer Gifts:** Our Competitive team, Republic Edge, will be offering pre-sale goodies. They will also have hot cocoa, cookies and some limited items for sale in the lobby during performance week.
