

Republic 2025 Christmas Performances

Week of December 8th-13th

The dancers will perform during their normal weekly class time in Studio 3 which will be turned into a magical winter wonderland! We ask that parents STAY and do not drop your dancer off to ensure that you do not miss their performance as the schedule below is a rough estimate. This is a casual performance and ALL family members are welcome to attend!

REFER TO THE CLASS PERFORMANCE SCHEDULE PRINTED ON THIS HANDOUT

Performance Details:

- **Attire:** Dancers can wear what they normally wear to class but are welcome to incorporate any festive colors or accessories. In an effort to prevent any child from being left out, we ask that no parents coordinate matching class outfits. This is intended to be a fun casual event, therefore we do not want to create any financial pressure during the holiday season.
- **Arrival:** Dancers will arrive at their NORMAL weekly start time. Please make sure they arrive promptly. They will go to their normal classroom and will move to studio 3 during their designated performance time.
- **Dismissal:** Multiple classes will be utilizing studio 3 for their performances each day. Therefore, once dancers in that performance block have performed, they will take a class photo and then will be dismissed. We will have a winter backdrop in the lobby for all other family photos!
- **Dancer Gifts:** Our Competitive team, Republic Edge, will be offering pre-sale goodies. They will have flower bouquets, snacks and some limited festive items for sale in the lobby during performance week.
